

HONGDA TCF CoreBook X

All The Power to Satisfy Your Mobile Needed

CoreBook X

All The Power to Satisfy Your Mobile Needed

<p>14" 2160*1440 resolution</p> 	<p>3:2 Golden Aspect ratio</p>	<p>85% Screen-to-body ratio</p>
	<p>100% sRGB color gamut</p>	<p>Intel CORE Intel 10th Gen i3 2.1GHz-4.1GHz</p>
	<p>Wifi 6 MAX Speed 2.4Gbps</p>	<p>8GB DDR4 2666MHz SO-DIMM Memory</p>
	<p>Type-C Full Function</p>	<p>512GB SSD 500MB/S transfer speed</p>
<p>10.9 mm Thinnest</p> 	<p>2.99 lbs Ultralight</p>	<p>Windows 10 Upgrade to Windows 11</p>

Unbounded vision with the ultra slim bezel display

The three-sided ultra slim bezels display is simply breathtaking: incredibly immersive viewing experiences. The ultra slim bezels are just 5.8mm thin at the sides for a near-borderless experience. The 2K display with a 100% sRGB color gamut enables crisp, vibrant details. And the 3:2 aspect ratio is perfect for reading or writing.

The 13" laptop with a 14" display

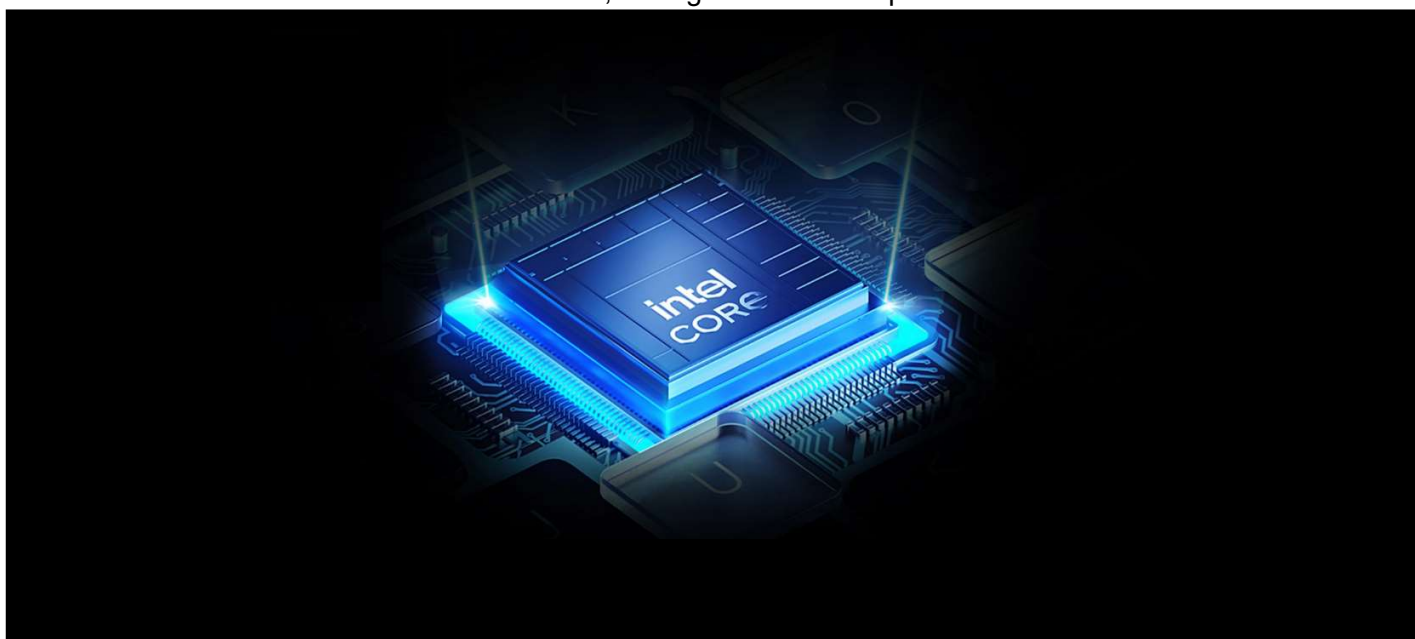

CoreBook X is not only slim and light, but the ultra slim bezels design gives it an ultra-compact footprint, so you can enjoy all the benefits of a 14-inch FHD display in a chassis that's as small as many 13-inch laptops.

Core Gen. Processor The Secret to Productivity

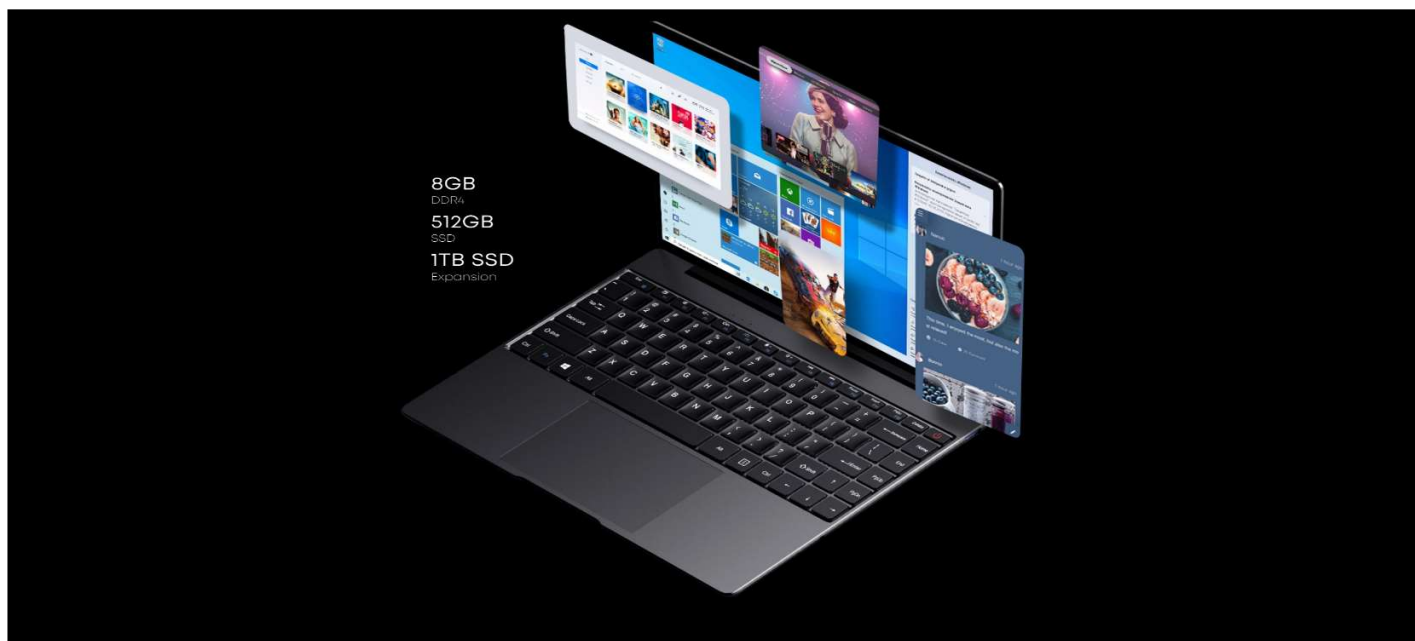

Equipped with the latest New Gen. Intel® Core™ i3/i5/i7 processor, the CoreBook X delivers faster performance up to 4.1GHz-4.7GHz core turbo frequency.

The new generation is designed for multitasking and pro-level processing tasks. The CoreBook X gives you a smoother workflow, saving time to develop more ideas.

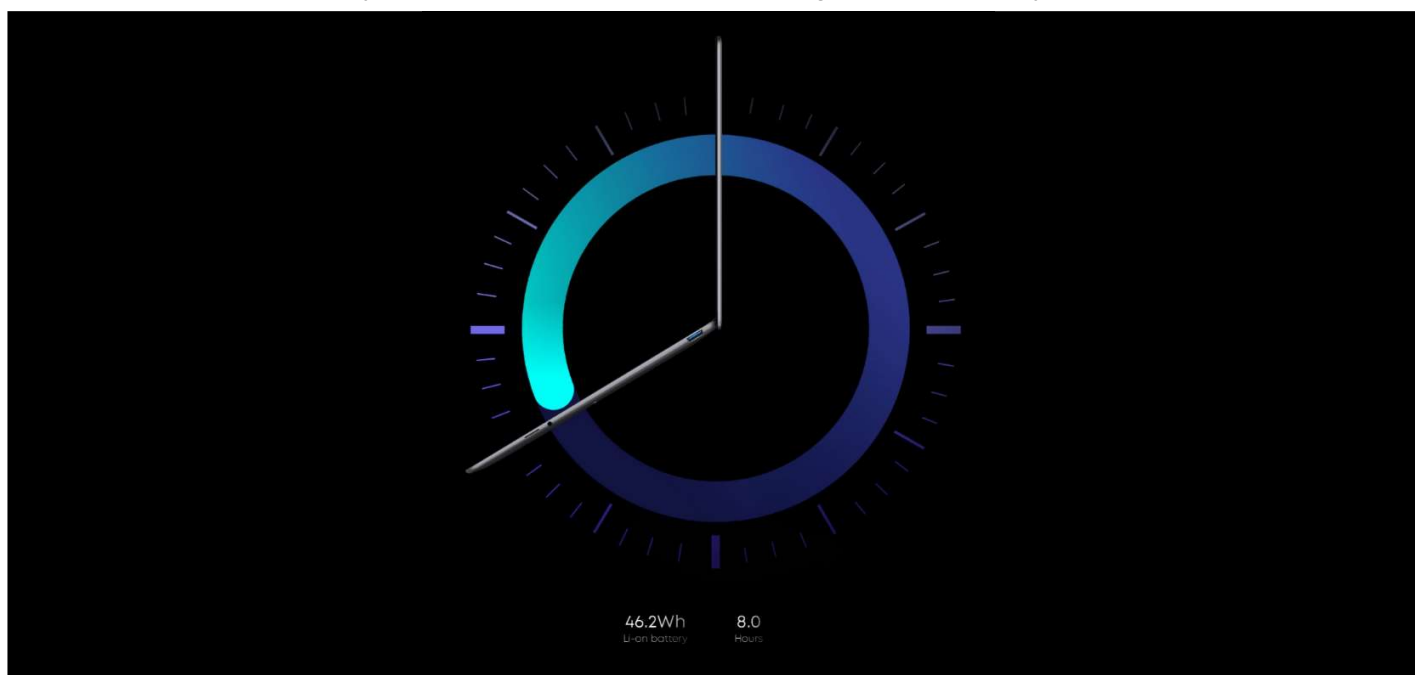

Quick Response, Efficient At All Times

Equipped with 8GB DDR4, 512GB SSD, CoreBook X can load more tasks in the background. Office work and video clip are light for it. Toggle without a lag to improve efficiency.

Monstrous 46.2Wh Battery, Lasts All Day

It adopts 46.2WH high-capacity lithium-ion battery, and has excellent system-level power management. The battery life is up to 8 hours, which is enough for a whole day's use.

Travel light, with less effort

The compact, light and thin metal design of CoreBook X makes it the ideal traveling companion. with a highly portable lightweight design and an outstanding battery life that frees you to concentrate fully on tasks. An ultralight 2.99lbs chassis—so you can enjoy outstanding portability wherever you are.
