High-Resolution Fullview Display

Providing a 10.36 inch 2K resolution display, the HiPad Max lets you enjoy realistic graphics to enhance your film and gaming experience. The high resolution display boasts an 84% screen-to-display ratio.

Qualcomm® Snapdragon™ 680 Processor

The Snapdragon™ 680 Octa-Core processor provides a much smoother operation when enjoying games, videos or multi tasking with work. This sets apart the HiPad Max from many other tablets for every day intense usage.

Specialty Quad Speaker Audio System

Four speaker immersive surround listening brings the cinema to wherever you are. Want to watch movies in your home but feel like you're missing something? The ultra large amplitude speakers mean you can experience your favourite movies like you are there.

Stylish & sturdy design

Stylish, portable yet durable, the HiPad Max is designed for going anywhere in the world. You can take it to work, coffee shops and for long journeys.
