

HONGDA TCF SMART TV

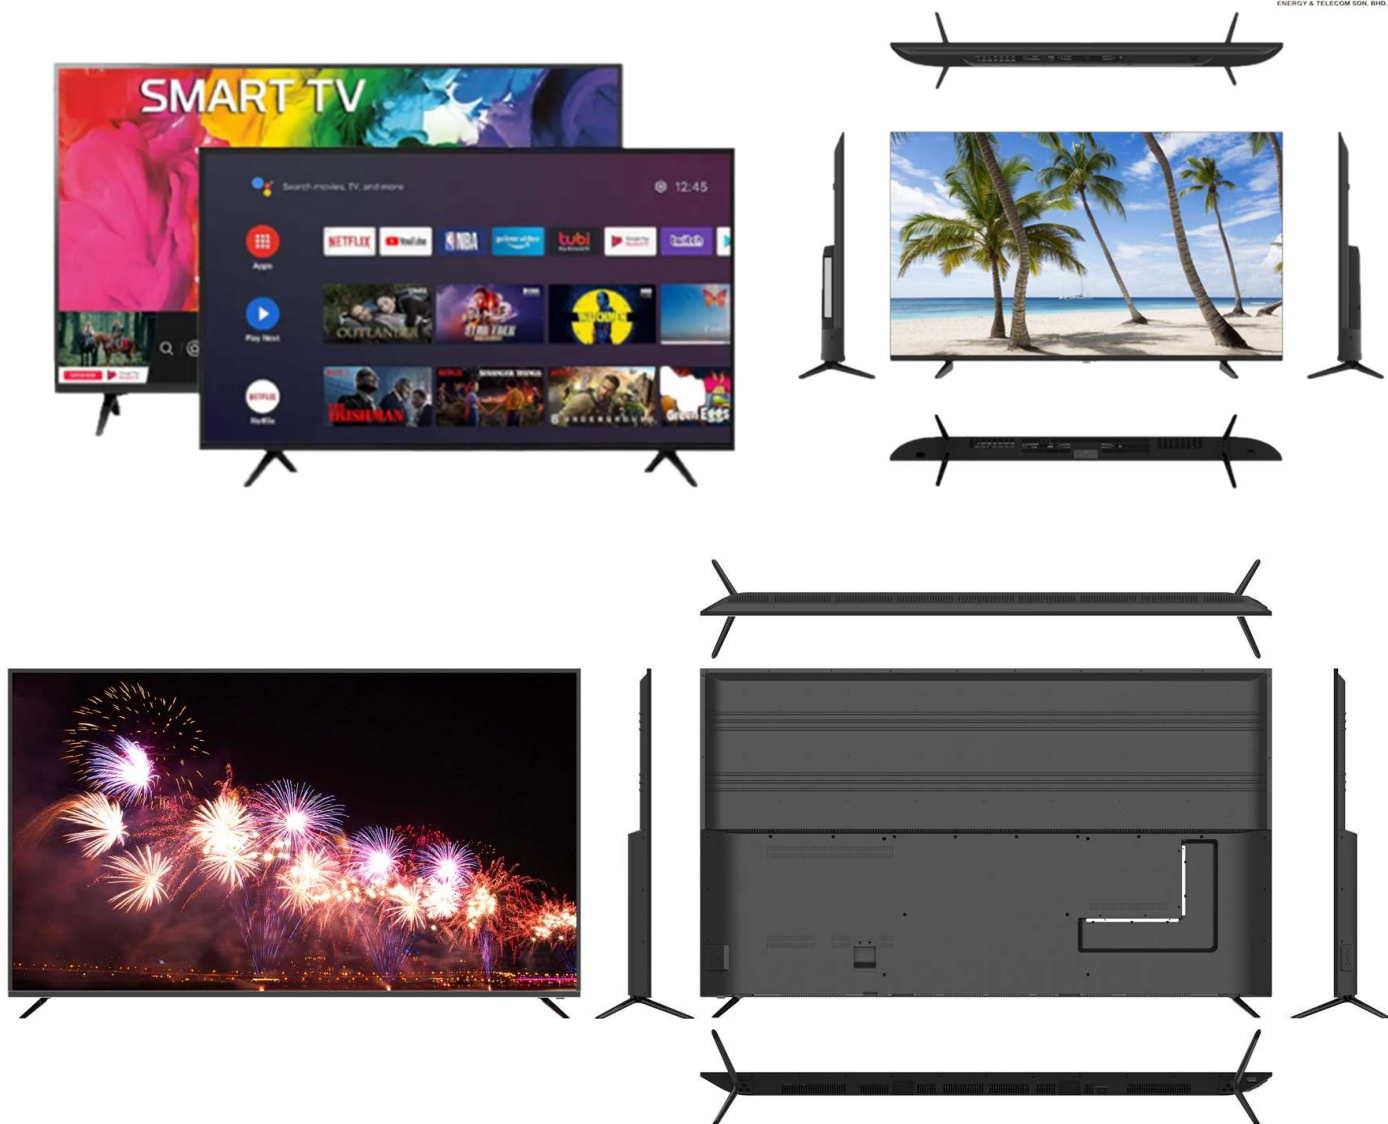

32" / 43" / 50" / 55" / 60" / 65"

Plastic Frame and Plastic Stand

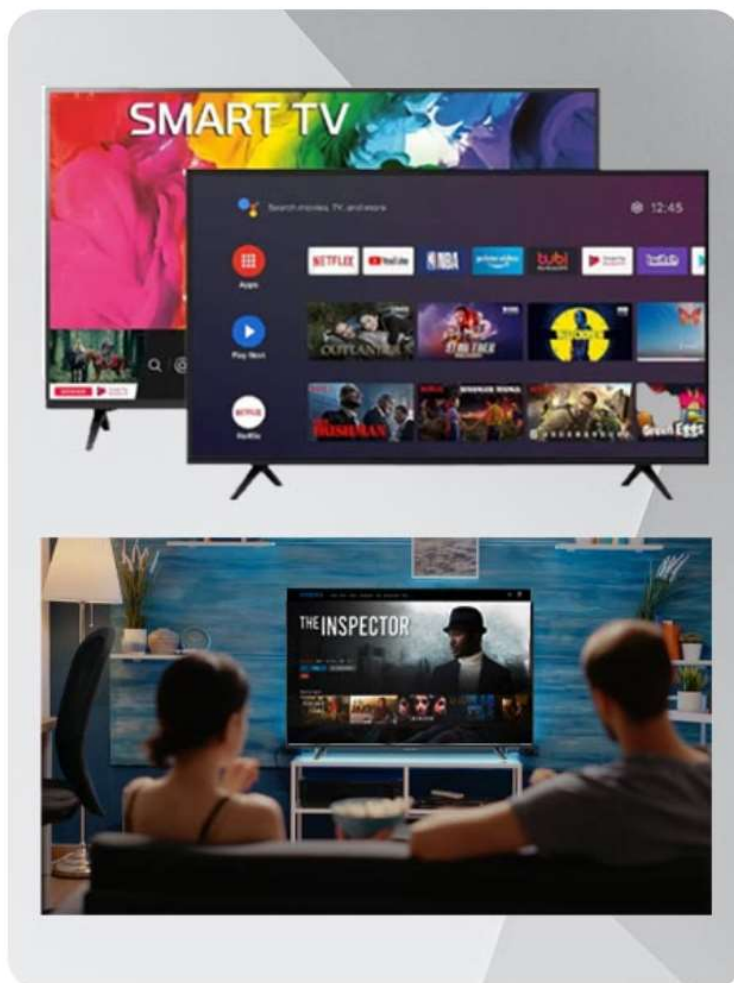

A new era of smart connectivity
Experience the wonder of Android TV™

The Smart TV comes equipped with Android TV™ 11, delivering simple yet immersive experience. Discover 400,000+ movies and shows from across your favorite apps. Get 7000+ apps from Google play*. Play music and games, cast from any device, and more*.

Surround sound* for superior audio experience Whether you're into music, games, films or TV dramas, the addition of Dolby Atmos® and DTS HD technology delivers greater richness and realism to sounds than ever before.

Main chip

4-core A55 architecture, integrated Mali-G31 graphics processor, 1.9GHz main frequency with super brain, let you experience the feeling of flying.

High gamut

The gamut is improved by 20% to present more layers of colors and truly restore the natural picture.

LCD Super Storage

Run at top speed, store at will, let the performance of the TV fully unleashed, your love is not bound.

Top Speed Screen Projector

Without software installation, easy to open the screen mode with one button, smooth playback, less than 3ms delay.
