H7 Stylus Pen, 4096 Level of Pressure Sensitivity

UBook XPro H7 stylus pen, made by Wacom and with 4096 levels of pressure sensitivity, provides a natural feeling of writing, sketching and annotating on screen just like on paper, and allows you to write easily, draw freely, and give full play to creative inspiration. After precise calibration, UBook XPro H7 stylus pen features ultra-low latency and fast response, and can accurately reproduce the most delicate lines. Write down each of your creativity.

Note: The stylus pen needs to purchase separately.

Powerful Intel Core-i7 CPU & Intel HD Graphics 615 GPU

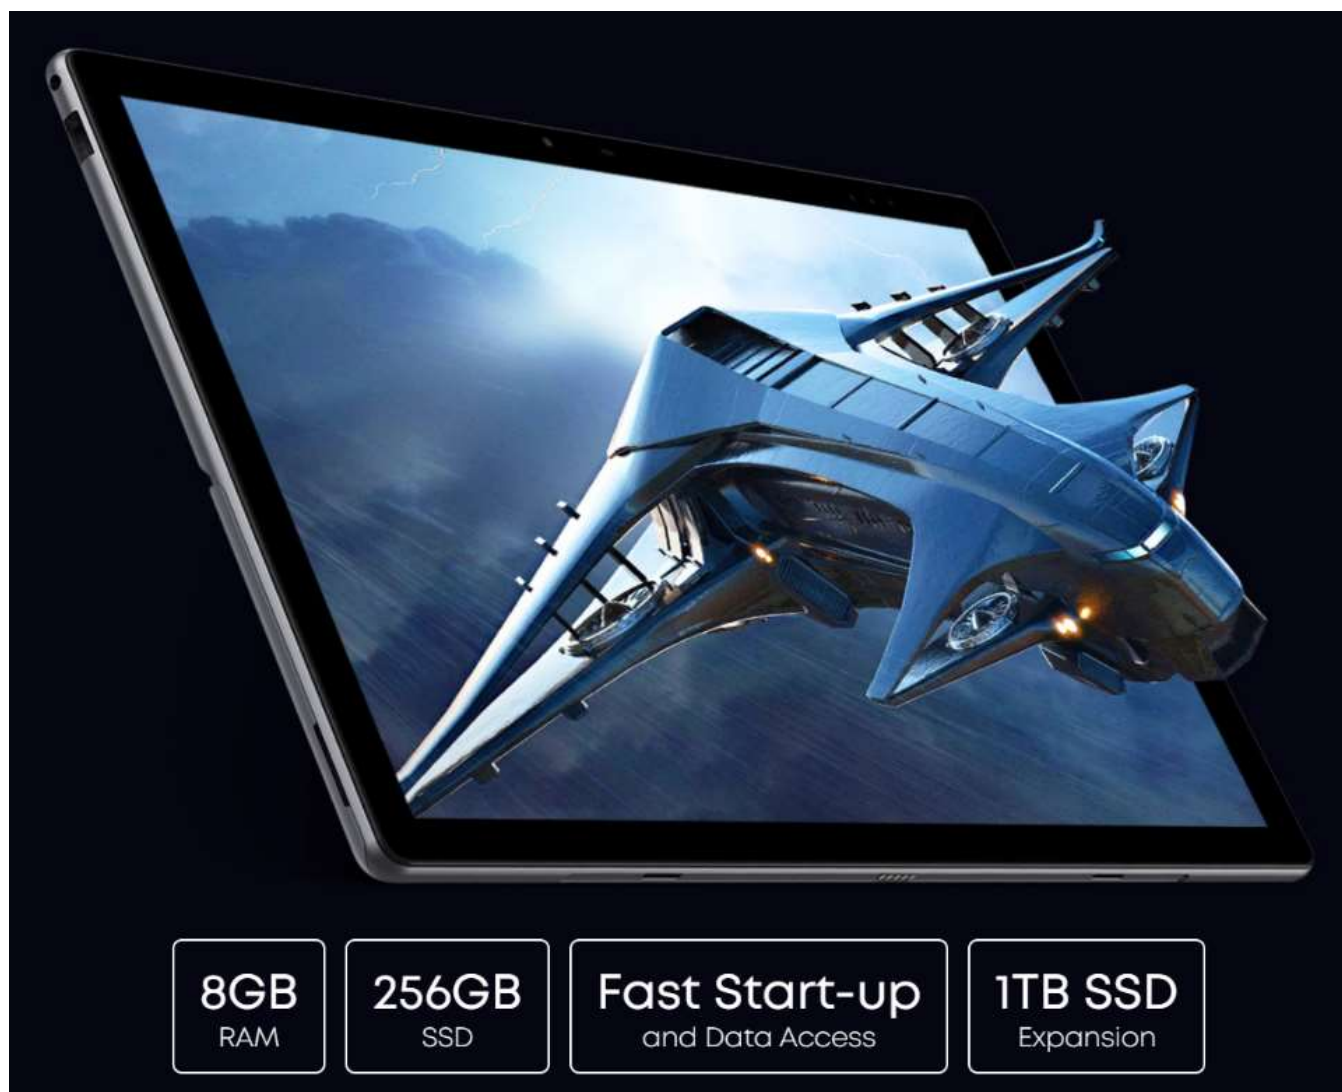

Armed with an Intel Core-i7 processor with main frequency of 1.3GHz and turbo frequency of up to 3.6GHz, plus Intel HD Graphics 615 GPU, 300MHz-1050MHz, UBook XPro allows to easily complete daily tasks and multitasking with ease, and is ideally suitable for content creation, entertainment, documents editing, basic video production, multiple applications running, playing games, etc.

UBook XPro is definitely your best choice for working and entertainment.

8GB+256GB SSD Sufficient Storage Space Combo

With 8GB large-capacity high-speed RAM memory, UBook XPro smoothly runs your games and photo- and video-editing applications, as well as multiple programs and browser tabs all at once. Built-in 256GB SSD for faster start-up and data access, and offers ample room to store your photos, favourite songs, videos, video clips, video projects, apps, ebooks, etc, and best for portable office if you have some files need to deal with. UBook XPro supports TF card expansion up to 256GB.

2MP Front Camera and 5MP Rear Camera

UBook XPro features a combo of front 2MP + rear 5MP HD camera, which allows you to easily enjoy clear video calls and chats at work or leisure. You can also use the front camera to take nice selfies, or use the rear camera to take higher-resolution photos.

Record down every wonderful moment in life.

38Wh/5000mAh Long-lasting Battery Life

This 2-in-1 laptop is powered with a 5000mAh battery, and ensures a long battery life, no worry about battery dead during your trip or going outside. UBook XPro weights only about 925g, convenient for you to put it in your backpack or handbags for easy carrying.
