

# HONGDA TCF Charging Cart

30 / 40 / 60 bays

## For iPad, Android Tablets & Laptops

HONGDA TCF Charging Cart for Charging & Sync 30 ~ 60 bays which provides high demand charging solution!

Cable management, charging cables are locked into the cable channels along the top of dividers with cord clips for simple cable management routing next to the device. Neatly organize devices so they are easily accessible for students.

# Advanced intelligent charging technology

Innovative and reliable power management charges devices. The HONGDA TCF Charging Cart knows which devices need to be charged and routes power to these devices while powering additional classroom technology.

## iOS

e.g. Apple iPad, iPad mini, iPad Air, iPad Pro

## Android

e.g. Samsung Galaxy Tab

## Laptop

e.g. Chromebook, Microsoft Surface

## Key & Lock Doors

For Security, Protect your device

## SMART Power Management

Prolongs battery life

## Reserved Ventilation

Ensure your devices are kept cool
